**PROGRAM OVERVIEW**

The General Studies option in the Enterprise Development Degree builds on the core competencies to provide a well-educated and well-rounded citizen in the workplace. Since the Oklahoma core competencies are covered by the 37 hour general education curriculum; the aim of this option is not to dictate a strict set of courses, but to allow a wide range of offerings that will enrich the student and contribute to the educational level of Oklahoma. The option is also designed to transfer directly to the "Reach Higher" Initiative offered by Oklahoma's Regional Colleges and Universities (Bachelor of Science in Organizational Leadership). Two-year graduates will be assured of full transfer of credits into the Reach Higher program.

**Must have at least 18 previous college credit hours, a 2.5 GPA and all remediation courses complete.**
