As of January 1, 2014, log into your BAM account with BCBS and take the Health Assessment. (A spouse will have to set up a personal account to take their own assessment with BCBS.)

The Health Assessment may be taken anytime during 2014 however it must be taken before a claim is incurred to receive the \$250 credit. You will not get the credit if the assessment is taken prior to January 1, 2014.
