PROGRAM OVERVIEW

Elementary education students should choose electives in consultation with their academic advisor and based on the catalog of the college or university to which they plan to transfer. ECU or SOSU transfer students should enroll with an advisor to follow 2 + 2 Agreements specific to their transferring university.

Students must maintain a minimum of a 2.5 grade point average. Students must also earn the minimum grade of a "C" in ENG 1113, ENG 1213, and SPC 1113.

CAREER OPPORTUNITIES

- Elementary School Teacher
- Child Development Specialist
- Master's Degree in Mental Health Services

This is a suggested course sequence only. Students may, with guidance from an Academic Advisor as well as a Faculty Advisor, make changes to their specific course sequence. The student should be aware that changes may result in more than four semesters to complete their desired Associates Degree.
