MSC Convocation in Fletcher Auditorium @ 6 p.m.

Pursuing higher education is a BIG deal and steeped in tradition. Murray State College faculty and staff recognize the commitment and sacrifices you will encounter on your path to graduation. Convocation is an annual ceremony that officially begins a new school year to gather together the community around our new students. Family and friends will play a pivotal role in your education, and we encourage them to attend this inspiring event.

Rock the Block at MSC

You won't want to miss this campus-wide party that follows Convocation. Members of the community, along with campus clubs and organizations, will be on hand to welcome you and your family. Fun and games are also on the agenda.

College Success Course

As part of the symposium component, students will be enrolled in a College Success Course that meets twice a week for the first five weeks of the semester. This course explores topics that will assist you in the classroom while helping you set goals and develop plans for personal achievements.
