

Murray State College

Fire Safety Education Procedure

In compliance with the Higher Education Opportunity Act of 2008, the Murray State College Police/Security Department will publish information concerning student housing fire safety systems, fire drills, fire safety policies and, education and training programs.

Fire Safety Education and Training Program

All members of the residence life staff receive fire safety training at the beginning of the academic year. All residence hall room are equipped with evacuation maps posted in the hallways with the safest and most direct exit routes from the area in case of emergency.
