MURRAY STATE COLLEGE

Associate in Applied Science Child Development

Catalog Year 2018-2019

PROGRAM OVERVIEW This Associate in Applied Science program prepares students for careers in child development services and provides those already employed in childcare with the opportunity to increase their knowledge and update their skills. The demand for graduates of this program continues to increase as the need for quality childcare becomes one of the most important concerns of our nation. Working with children to enrich their lives can be a very personally satisfying occupation. **CAREER OPPORTUNITIES** • Head Start Teacher • Early Head Start Teacher • Child Care Master/Lead Teacher • Family Child Care Home Provider • Child Care Center Director • School-age Program Provider • Early Intervention/Special Needs

This is a suggested course sequence only. Students may, with guidance from an Academic Advisor as well as a Faculty Advisor, make changes to their specific course sequence. The student should be aware that changes may result in more than four semesters to complete their desired Associates Degree.

GENERAL COLLEGE PREPARATORY REQUIREMENTS

Students may be required to complete transitional courses in English and/or math prior to being admitted into college level courses.

Academic placement is determined either by ACT results or placement exams.
