# MURRAY STATE COLLEGE

## Business

Catalog Year 2018-2019

An Associate in Science in Business is designed to prepare graduates from Murray for transfer to a regional or comprehensive university. This degree is a general business Associate of Science degree. When students transfer, they can decide to specialize in specific areas of business such as: Accounting, Economics, Finance, Human Resources, Management, or Marketing. Students interested in transferring to a four-year university should consult with an academic advisor from that school to ensure transferability and completion of the appropriate program electives.

This is a suggested course sequence only. Students may, with guidance from an Academic Advisor as well as a Faculty Advisor, make changes to their specific course sequence. The student should be aware that changes may result in more than four semesters to complete their desired Associates Degree.

### GENERAL COLLEGE PREPARATORY REQUIREMENTS

Students may be required to complete transitional courses in English and/or math prior to being admitted into college level courses.

Academic placement is determined either by ACT results or placement exams.
