## Associate in Science International Studies - Interdisciplinary Option

Catalog Year 2018-2019

The Global Education Studies degree is designed to provide students with a program of study that introduces students to both modern and historic aspects of our international communities. This program is designed to be flexible and interdisciplinary. Students completing this degree will be better prepared to work in a variety of careers where a global perspective and an understanding of international travel is necessary.

<b>TOTAL CREDITS</b>		<b>17</b>

This is a suggested course sequence only. Students may, with guidance from an Academic Advisor as well as a Faculty Advisor, make changes to their specific course sequence. The student should be aware that changes may result in more than four semesters to complete their desired Associates Degree.

### GENERAL COLLEGE PREPARATORY REQUIREMENTS

Students may be required to complete transitional courses in English and/or math prior to being admitted into college level courses.
