

***Reference Services:***

MSC Librarians can help with your research and information needs. We can help you:

- Define research topics
- Develop research strategies
- Locate and use a variety of print and electronic resources
- Interpret reference resources
- Show you how to build a bibliography
- Learn how to use information resources

***Ask a Librarian:***

Ask questions face-to-face, call us at 580-371-2371 ext. 207, or send an email question to: [mrixen@mscok.edu](mailto:mrixen@mscok.edu).

Note: Allow 12-24 hours for a response to your online reference question.

***Instructional Services:***

Reference Services offers instructional services and library orientations for class groups as well as individuals. Librarians are also available to visit classrooms to provide instruction. We invite you to schedule an appointment for group or individual instruction.
