RE: Bid #981, Murray State College Campus Roofing Project – Issue Date: June 26, 2017

To Whom It May Concern:

Please let this serve as official communication that the following items related to the Bid listed above have been clarified.

Insulation Clarification

- Old: It has been asked if insulation of any type is not included in the price? If the building has insulation, it does need to be replaced but, all buildings should meet State Code.
- New: This statement applies to the Murray on Main Store in Ardmore. Specifically, for the Murray on Main Store in Ardmore, it is believed that roof design will require some sort of insulation to meet State Code.
- New: Other roofs replaced will need to meet State Code.

Warranty

- Old: Minimum twenty-year warranty on all roofs that will be replaced.
- New: Minimum twenty-year warranty on all roof materials that will be replaced.

If there are any questions or additional information is needed, please do not hesitate to contact project contact: Sam Holt, Executive Director of Campus Safety and Facilities, sholt@mscok.edu or 580-387-7311

Sincerely,

Dennis L. Westman, MBA
Vice President for Finance & Administration
