Commemorative Bricks

The Commemorative Brick Program is a great way to leave a legacy for friends and family to enjoy for years to come. Alum and friends can purchase an inscribed brick in their own names or to honor a loved one. Each commemorative brick costs \$25.00 and has up to two lines, with **a maximum of 14 characters per line** – each **space** represents **one character**. If you are interested in purchasing a brick(s), please contact Karen Cantrell at (580) 371-2371 Ext. 137 or Brenda Stacy at (580) 371- 2371 x 136. Brick orders are placed in the fall and spring and will be installed around the Student Services Building walkway. Thank you for your support! We appreciate you.

Checks or Cashier’s Checks should be made payable to:
