FROM THE PRESIDENT

Greetings Alumni & Friends,

On behalf of Murray State College, I would like to welcome you back to your campus to celebrate the 2013 Homecoming and Alumni Reunion. Bringing people together to not only talk about our history, but to also discuss where we are now, and to share our vision for where we are going, is vital to keeping traditions alive and vibrant. This is something we hold dear at Murray State College. By inviting our alumni back, we can keep the College’s legacy alive. This is an opportunity we have to give the past, present and future a chance to fellowship, to learn, and to thrive. It is with great joy and pleasure that I invite each one of you to reconnect with your institution.

I would also like to invite you to help with our 2014 accreditation visit. MSC is seeking comments from the public about the College in preparation for its periodic evaluation by its regional accrediting agency. The College will host a visit February 24-26, 2014, with a team representing the Higher Learning Commission of the North Central Association. MSC has been accredited by the Commission since 1964. The team will review the institution’s ongoing ability to meet the Commission’s Criteria for Accreditation.

I look forward to seeing you in the fall.

Joy McDaniel, MSC President
