65th Anniversary of the Victory in Europe Celebrations for World War II

Glenn Wilson, MSC graduate of 1942

Glenn served in the 87th Infantry Division, 334th Field Artillery Battery of World War II and had the opportunity to travel to Bastogne, Belgium for the celebrations. Glenn is also a past recipient of our Distinguished Alumni Award in 2005.

Sgt. Jason Collins deployed with the Special Troops Battalion, 3rd Brigade Combat Team, 10th Mountain Division in 2009 to the Logar Province in eastern Afghanistan, where he served as a police mentor team (PMT) leader. Each PMT is assigned to a regional district and is responsible for training, advising and mentoring the Afghan National Police (AFN). Working with his team, Collins provided instruction on handling firearms, handcuffing suspects, making vehicle stops and carrying out searches. This training was crucial in allowing the Afghan police force to manage their own security and move toward a self-sustaining government.

Currently, Collins lives in the Watertown, N.Y. area with his wife Ashley and their three children: Caden (5), Kaley (3) and Cate (8 months). He is a MSC graduate of 2003 and the son-in-law of MSC Athletic Director, Mark Hamilton.

Robinson, an Atoka native, played at Southeastern from 1993-96, winning an NAIA championship in 1995, the NAIA Player of the Year honor in 1996 and All-American status three times. Her No. 40 jersey from Southeastern is retired, and she was inducted into the school’s Athletic Hall of Fame last February.

Hiring a big-name college star from southern Oklahoma is nothing new for MSC. The school hired Broken Bow native and former Oklahoma State star Randy Rutherford. Rutherford came to Murray State from Tulsa Central High School. Rutherford graduated from Broken Bow High School in 1990 and played one year at Bacone Junior College before transferring to Oklahoma State University. Rutherford was an instrumental player in OSU’s run to the Final Four in 1995.
