

MURRAY

STATE COLLEGE

MSC Library Mission

Murray State College provides opportunities for student learning, Personal Growth, Professional Success and Community Enhancement.

In conjunction with the College's Mission Statement, the Library at Murray State College offers the following mission statement:

The Murray State College Library will support the college curriculum by providing a vital, information rich environment that will enhance faculty development and student learning by:

1. Providing an opportunity to succeed through a learner-centered academic environment.
2. Promoting information and critical thinking skills that are essential to confident, independent learners.
3. Striving for a balanced, current, and relevant collection of resources in both traditional and electronic formats that provide professional, academic and career-oriented information to meet the changing needs of the workforce.
4. Using assessment to improve student learning and effective teaching.

MSC Archives Mission Statement

Murray State College Library Archives exists to preserve and make available materials relevant to the institution's history.
