

FOUNDATION

The Murray State College Foundation has a long tradition of supporting student scholarships and providing stewardship of endowment funds given by individuals and families who love MSC and its mission.

One such endowment is the Chapman Family Endowment. Established in 2017, this endowment provides two opportunities for freshmen and sophomore students: The Fred Chapman Jr. and William C. Chapman Family Endowed Scholarships.

The families of Fred A. Chapman Jr. and William C. Chapman of Ardmore, Oklahoma, own and operate Chapman Ranches, located in the vicinity of Mannsville, Oklahoma. The family has grown pecans and raised cattle since their father, Fred A. Chapman Sr., began the farm and ranch operations in 1917. Chapman Ranch spans across Carter, Marshall and Murray Counties in Oklahoma, and into Red River and Bowie Counties in Texas.

The scholarships are available to students majoring in Agriculture, due to the generosity of the Chapman family. Recipients must be enrolled full time and maintain a GPA of 2.5 or higher.
