

MSC-OTA Program Books for 2026

Spring Semester

The following books are required text books for the MSC OTA Program. OTA Program textbooks are used throughout the program in multiple courses not only in those courses listed. See your course syllabi for all books used within each course. Books purchased for the Spring 2026 term are required throughout the program.

Spring 2026 – Additional books from past courses may also be required. *You may have some of these books already from Fall courses.*

The Murray State College Online Bookstore has all required books which can be shipped to your home, the online bookstore link is: mscok.textbookx.com

If you need assistance with your book order, please visit <https://mscok.textbookx.com/help/>
