## Thank You!

"It's an honor to share about the work we're doing with AirEvac. Advanced nursing education for flight nurses is difficult to find in most areas. AirEvac now has 18 bases in Oklahoma, and we're their training facility. "

Murray State College President

### Ardmore Community Forum

Members of the Murray State

team attended Ardmore's annual community forum.

## Aggie Days

52 students and 20 parents attended the first Aggie Day freshman orientation this week.

They learned how to log in to their Aggies Online portal and toured around campus.

Next week's Aggie Days are August 1st and 2nd.

## Drone Camps

Murray State College held drone seminars at Idabel Public School and Murray State's Ardmore

campus this week. The students learned about drones and careers that can be obtained by having knowledge of Unmanned Aerial Systems (UAS). Each participant practiced and went home with their own drone.

## Chickasaw Campus Tour Series

Murray State College was one stop on the Chickasaw Campus Tour Series.

180 Chickasaw students explored five Oklahoma college campuses and learned about higher education options, majors and financial assistance programs.
