Murray State Sees Big Jump in Enrollment

For the second straight year, Murray State's enrollment and credit hours have increased, 18% and 19%, respectively.

Murray implemented a new enrollment management system to streamline the recruitment, admissions and advisement process for new students.

Thank You!

"Thank you to Becky Henthorn, Kandy Rutledge, Melissa McBride and Darrell Riley and their teams for their work with the enrollment management system.

We also wouldn't be successful without the diligent work of our academic, activity and athletic team coaches who work tirelessly to give students reasons to choose Murray State. It's a great day to be an Aggie!
