Financial Fact Sheet
2023-2024

The data applies to students experiencing the program in academic year 2023-2024.

Length of Program which includes all student instruction/interaction (including classroom, laboratory, exams, and clinical education). Include the total number of weeks where either full or partial attendance is required.

Length of Program in Weeks excluding breaks: 76

Length of Program in Weeks including breaks: 102

Clinical Education

Does this program have a requirement for all students to complete at least one clinical education experience for which the students would be required to seek alternative housing or travel accommodations to attend **Yes** **X** **No**

Note: Students are responsible for costs associated with housing, travel and food during clinical education. Programs should add any additional comments about clinical education here.

While the program does not have this requirement, it is common for students to have one or more clinical experiences that are located away from their home. Clinical education assignments are made based on the individual educational need of the student. See more information at the program "Cost of Program" link to the program website: <http://www.mscah.org/pta-cost-of-program.html>

Student Costs

Note: These are costs experienced by students in the 2023-2024 academic year. Annual costs are estimates and subject to increases. Students should contact the program for further information related to costs

Note: Annual costs are estimates and subject to increases. Students should contact the program for further information related to costs.
