Length of Program in Weeks excluding breaks: **76**

Length of Program in Weeks including breaks: **102**

*Length of Program, includes all student instruction/interaction (classroom, laboratory, exams, and clinical education) in which either full or partial attendance is required.*

**Clinical Education**

This program does **NOT** have a requirement for **all** students to complete at least one clinical education experience for which the students would be required to seek alternative housing or travel accommodations to attend. Students are responsible for costs associated with housing, travel and food during clinical education.

While the program does not have this requirement, it is common for students to have one or more clinical experiences that are located away from their home. Clinical education assignments are made based on the individual educational needs of the student.
