Year	Two-Year Graduation Rate	Two-Year NPTE Pass Rate	Two-Year Employment Rate **
2024	76.92%	100%	100%
2025	86.6%	100%	100%

Outcomes Information for the most recent two years the following information is provided:

- Graduation rates for 2024 = 76.92, and 2025 = 86.6%. This data has been reported to CAPTE and is based on the completion of students offered a position in the class.
- Over ninety percent (> 90%) of students who are successful in the 1st semester (spring) achieve success in the technical year of the PTA program.
- Graduates during the 2025 period have an 100% first time and ultimate pass rate on the NPTE licensure examination.
- Graduates who sought employment report finding jobs within 3 months of graduation with 72% finding their first job in less than 1 month. The employment rate is calculated based on those graduates who were seeking employment and found employment (FT, PT, or contract) within 12 months of graduation.
- Graduates from the most recent class reported high job satisfaction (100%) on graduate surveys for most recent graduating class who have been surveyed (Class of 2025).
- Supervising PTs and employers report graduates performing at appropriate entry-level and that they would hire a graduate from the MSC PTA program again. (>95%)

** The employment rate includes those licensed graduates who sought employment and who found employment (FT, PT, Contract) as identified by the graduate survey and state licensure identification of workplace.
