

Written Interview

Application Identification # _____

For Office Use Only

Instructions: As part of the application to the MSC PTA Program, you will answer the following six questions and submit with your application by the application due date. You **should not include** any identifying information such as your name, home city or names of specific locations where you may have completed clinical observation. You should answer in the space provided and no more. Only these two pages will be used. Answer three questions per page. The selection committee will review your responses and rate your Written Interview based on the rubric described in the Orientation Video.

1. What have you done to help you make your decision to join the profession of physical therapy and become a PTA? *(Indicate the actions you have taken to investigate and learn about the role of the PTA.)*
2. What experiences and/or accomplishments have prepared you for success in the PTA program?
3. How do you study and what is your experience with group study and the use of technology including on-line learning?

4. What is a stressful event that you have experienced in your life and share how you coped with this event?

5. What is difference between the physical therapist and the physical therapist assistant in regards to education, roles, and responsibilities?

6. What are your plans should you not be accepted into this program?
